

La Broquerie Girls Softball

REGISTRATION 2022

Registration: Available online from March 7th – 20th at www.labroqueriehabs.com

Welcome to another season of softball. Like many other sports, COVID stalled our softball program last year, but it is our intention to host a regular season of softball in La Broquerie for this season. The La Broquerie Rampage organization will be following the Softball Manitoba guidelines throughout the season as we have been informed that we intend on playing this season. The practices will start as soon as the weather outside permits and the SEGSL's regular season normally runs from the last week of April until June 27th.
